

Merger Celebrations!

Celebrating in style on Tuesday this week, regional law firm Wilson Browne LLP held a drinks and nibbles party for work referrers and contacts to celebrate its merger with Smith Chamberlain Solicitors, at the Tithe Barn in Wellingborough.

The firm, whose Wellingborough office is on Oxford Street, invited a number of clients, referrers and contacts to celebrate the merger as well as to provide them with an opportunity to meet different staff members, allowing them to put names to faces.

Guests from across the business community in Northamptonshire and the surrounding area enjoyed the talent of mind reader Mark Cairns as well as having the opportunity to network with each other throughout the evening whilst sampling a variety of drinks and nibbles at the Tithe Barn.

“We are absolutely delighted with the turnout for this event” confirmed Partner & Head of Conveyancing Dick Smart who is based at Wilson Browne’s Wellingborough Office. “We have been able to meet clients old and new in what was a very relaxing and fun atmosphere. We have already received a high level of positive feedback and look forward to working as part of a larger team for our clients.”

“Partner Helen York added “The event was very successful and I for one very much enjoyed meeting many new faces as well as catching up with old friends and I hear that our guests felt this way too.”

The firm’s Wellingborough team were supported by colleagues from the firm’s Family, Litigation, Private Client and Conveyancing Departments from across its other Northamptonshire & Leicester offices.
