

Triumph for Charity

Local firm, Wilson Browne LLP has been celebrating a successful year of fundraising for the Kettering General Hospitals' Cardiac Unit Appeal – the firm's chosen charity for the year 2009.

With a commitment of raising £1,000 as one of 50 friends, firms' staff took part in a myriad of events over the past year to raise money for the charity. In February the Charity Team were hard at work in the kitchen baking cakes for a Valentines Day cake sale which not only raised funds but also resulted in calls for cakes to be brought in on a regular basis!

The firm also took part in the Waendel Walk and the KGH fun run when our participants battled it out against each other as well as other entrants and it seems they were being sponsored just to be able to complete the courses, never mind achieving good finishing times!

Other events during the year have included mufti and decoration days, a Wimbledon sweep stake; guess the Partner baby photos and Christmas card collections, all in all which has enabled us to raise a fantastic £1,193.04!

Charity team members were delighted to have exceeded their commitment of raising £1000 for the appeal.

“This is a fantastic achievement” commented Sumit Morjaria, Trainee Solicitor and charity team member. He added “we are very appreciative of all the support we have received from staff members and their families over the last 12 months and delighted with the sum raised, which was higher than our target. The firms' staff will soon be voting for 2010 corporate charity and we look forward to organising a variety of fundraising events for our chosen cause.”
