About us

We're multiple Northamptonshire Law Society Law Firm Of The Year winners, we've been shortlisted for the UK Law Society 'Excellence' awards many times and achieved two 'Highly Commended' awards. Most of our teams and lawyers are also listed in the Legal 500 – a Who's Who of the legal world.

For issues around Commercial Law, you need advice and help from people who really know what they're doing. If yours is a fledgling business, a mature one, owner-managed, PLC or subsidiary of an overseas parent, then we advise businesses just like yours across a broad range of issues.

Covering nearly all the main areas of business/commercial law, we're all the help you need.

Commercial Property, acting for start-ups, developers, social housing providers, large-scale developers (both residential and commercial) acting for regional, national, and international heavyweights including land acquisition and development deals, leases, freehold property, acting for SIPPS/SASS's, corporates and individuals. Dealing with commercial lenders, option agreements, promotion agreements, overage and everything else in between.

Disputes (Litigation) and Dispute Resolution: From minor disputes to £multi-million. Advice on mediation, arbitration, negotiation or litigation. Including professional negligence; partnership and shareholder disputes; debts; intellectual property, trademark and copyright disputes.

No win – no fee arrangements subject to agreement.

Corporate & Commercial: we cover all aspects of the business lifecycle, from setting up and getting the right business structure through to succession planning and exits. Whether a local business, regional SME or multi-million national outfit our CoCo team work with our clients to understand their needs and help them achieve their commercial goals. We support clients in a range of sectors with their terms of trade, protecting intellectual property, growth strategies through M&A or organic growth and have expertise in governance matters and employee share schemes and ownership trusts.

Employment: training, contracts, handbooks/policies, strategic employee issue management/ resolution, TUPE and Tribunals, internal investigations, Modern Slavery Act compliance and Board/Senior Management Team (SMT) level disputes. As employment law solicitors, and employment lawyers for business, we deal with respondents/defending claims, and advising employers of all sizes on the full range of employment law issues.

In addition, we cover most areas of law for individuals such as Wills and trusts, estates and probate, care home fees, conveyancing, private landlord services, family law (divorce and family law mediation, including property, children and assets), childcare law (where Social Services are involved), employment law (including settlement agreements).
